Sri Raghavendra Swamiji's incarnation in Kaliyuga can be considered a manifestation for the upliftment of the Sajjanas. Sri Rayaru's Pontification day to the Vedanta Samraajya and his Birthday fall in the same week during the 'Phalgun Maasa'. This is celebrated as "Sri Raghavendra Saptaaha Mahotsavam".

This time around we are celebrating the 29th Sri Raghavendra Saptaaha Mahotsavam in a place where Hanuman's Birth Place - Kishkindha, Nava Brindavana, Yanthrodhaaraka Hanuman's temple, Karma Bhoomi of Sri Purandara Dasaru and the only place to have Mrithika Brundavana of Sri Sri Vishwesa Theertha Swamiji.
